Cooking oils.
Emulsifier.
Hard substitutes.
Margarine.

Plant—

Fuel.
Green manure.
Soilage.
Forage.
Hay.
Pasture.
Silage.
Straw.

APPENDIX II.

[Vide answer to unstarred question No. 1 asked by Sri R. Suryanarayana Rao at the meeting of the Legislative Council held on the 6th March 1948, page 434 supra.]

Copies of general orders regarding the introduction of revised scales of pay for the members of the Madras Educational Subordinate Service, for teachers in schools under local bodies and private managements have been kept in the library of the Legislature.

In the cases of teachers under local bodies orders have been issued in Local Administration Department permitting individual local bodies to grant house rent allowance to employees of those local bodies including teachers.

In regard to the grant of dearness allowance to teachers in aided elementary schools and panchayat schools, instructions were issued to the Director of Public Instruction and the Inspector of Municipal Councils and Local Boards from time to time. At present teachers in schools under private managements and in panchayat schools are getting dearness allowance at Government rates.

Orders have been issued in G.O. No. 2035, Education, dated 19th September 1947 in regard to the grant of advance increments to certain local bodies. In the case of other local bodies individual orders are being passed after examining the financial position of each of the local bodies as to whether or not they will be able to meet the expenditure on account of weightage.
